It is recommended that ***It Can Happen Here*** be viewed in a group setting by those individuals who have a primary responsibility for school safety. This may include, but not be limited to, school administrators including board members, school security personnel, the school counselor and nurse, law enforcement personnel, fire and rescue personnel as well as other key faculty, staff and even parents, students and community/public officials. After having viewed ***It Can Happen Here***, the stage should be set for discussions on developing a school safety plan if one does not exist or for identifying ways to improve upon an existing school safety plan.
